Stephanie Ciotti, CPA, CMA

Manager, Aircraft Programs & Finance Air Canada

May 31, 2017, Stephanie worked with Rob but at different companies

The Jet Research team is composed of experts who are extremely knowledgeable, professional and reliable individuals. I had an excellent experience working alongside Jet Research and felt very much supported in my program work. They were available around the clock for any questions or concerns I may have had. They provided guidance on technical matters and provided in depth analysis on their recommendations. The team is very personable and an overall pleasure to work with.
